ABRAHAM ACCORD PRECURSOR TO THE GOG MAGOG WARS

It looks to me as though the Abraham Accords are a precursor to the Gog Magog and the Battle of Armageddon Wars according to prophecy. These are End of the Ages wars where these nations will be judged as they battle with one another. It is a set of wars that are being instigated by "the gods" aka aliens who have control over the leaders of these nations. (That's OLD NEWS).

I believe the Bible is a PIOUS FRAUD. At the same time there seems to be some legitimacy to what we read. The trouble is we often do not know what is fact or fiction.

The Abraham Accords are a series of joint normalization agreements signed in 2020 between Israel and several Arab nations—the UAE, Bahrain, Sudan, and Morocco—brokered by the U.S. While designated "peace agreements" by participants, they are technically normalization deals rather than treaties ending active war, as the parties were not previously in armed conflict. AI Overview

The Abraham Accords, signed in 2020, were primarily brokered by the Trump administration, spearheaded by senior advisor Jared Kushner and Middle East envoy Avi Berkowitz. The agreements normalized diplomatic relations between Israel and several Arab nations, including the UAE, Bahrain, Sudan, and Morocco. Wikipedia +3

The Abraham Accords were created by the United Arab Emeritus and Israel in order to create a working relationship with the neighboring nations and bring peace to the Middle East. Trump and his administration helped broker the deal but **did not create the idea for Accords.**

According to prophecy, antichrist nations create the Abraham Accords. Anti Christ, nations are those who do not worship Jesus but essentially worship their different alien gods or "the gods" instead. Example Iran is waiting for the return of Great Mahdi Imam who is an alien god.

Yes, the UAE (United Arab Emirates) and Israel, led by Prime Minister Benjamin Netanyahu, were the primary parties in creating the Abraham Accords in 2020. Mediated by the United States, this historic agreement normalized diplomatic, economic, and cultural ties between the nations, officially signed on September 15, 2020, at the White House. Wikipedia +2

Key details of the agreement include:

- **The Agreement:** The UAE became the first Arab nation since 1994 to recognize Israel, followed quickly by Bahrain, and later Sudan and Morocco.
- **Motivations:** The UAE sought to build regional stability, boost economic growth, and address common security concerns in the Middle East.
- **The Role of Annexation:** The deal was brokered with the condition that Israel would pause its plans to annex parts of the West Bank.
- **US Involvement:** The United States acted as the mediator, with key roles played by the Trump administration. Wikipedia +5

While Netanyahu and UAE leadership, including UAE official: 'We signed Abraham Accords for our people, not individual leaders' | The Times of Israel officials, drove the process, UAE Motivations for the Abraham Accords noted that the UAE emphasized the agreement was for strategic future opportunities rather than just for the leaders involved. The Times of Israel +1

- **Historical/Preterist View (Already Occurred):** Some, including some Facebook users and commentators, argue the 70th week of Daniel was fulfilled when Jesus confirmed the covenant (the new covenant in his blood) during his ministry, which culminated in his death in the middle of the week. In this view, the "abomination of desolation" refers to the Roman destruction of Jerusalem in 70 AD.
- **Future Prophetic View (Has Not Occurred):** The more common end-time interpretation suggests the treaty is a future 7-year covenant negotiated by a "future antichrist" or "man of lawlessness" with Israel, which will be broken after 3.5 years.
- **Current Developments (2025–2026):** Recent developments in the Middle East, such as the 2020 Abraham Accords and various Trump-administration peace plans (referred to by some as a 20-point framework), have led some commentators to speculate that the final seven-year peace treaty described in Daniel is *currently* underway or in the process of being initiated. www.proclaimanddefend.org +7

In summary, while many in evangelical circles watch for a future 7-year treaty, others believe the covenant was already fulfilled by Christ, or that current normalization agreements (e.g., Abraham Accords) are precursors to the final prophecy.

According to the End of the Ages prophecy account of Daniel regarding the 70-week covenant, 69 percent of that prophecy relates to the time before Jesus visited the earth today. The Last week was a reference to the End of the Ages timeframe when these nations in the Middle East will be

judged today along with Europe. It is a time when the Gog Magog war and the Battle of Armageddon, which is the final war, is being initiated before Jesus comes back to CLEAN HOUSE.

HAVE THE ABRAHAM ACCORDS BEEN ABOLISHED?

No, Israel has not formally broken the Abraham Accords, which remain intact as of late 2025 despite significant strain from the Israel-Hamas war. While the conflict tested these relationships, the UAE, Bahrain, and Morocco did not sever ties, although normalization with Saudi Arabia was paused and tensions grew over West Bank policies. Atlantic Council +3

Key details regarding the status of the accords:

- **Continued Relations:** The UAE and other signatories have maintained diplomatic and economic ties with Israel, with daily flights and trade continuing throughout the conflict.
- **Strained, Not Broken:** The Middle East Institute describes the accords as "bent but not broken," having survived the, Carnegie Endowment for International Peace note.
- **Key Challenges:** Critics argue that Israel's actions, including settlement expansion in the West Bank and intense military operations, violate the spirit of the agreements.
- **Future Outlook:** The long-term viability of the accords is considered to be heavily dependent on resolving the Palestinian issue, according to a 2025 YouTube video from the Atlantic Council. Atlantic Council +8

In summary, while the Atlantic Council says the Abraham Accords have been tested, they have not been broken. Atlantic Council

3. Contextual Interpretation

- **"Covenant with Death":** The prophet Isaiah refers to this agreement as a "covenant with death and Sheol," emphasizing that it is a deceptive deal that causes ultimate destruction.
- **Sign of the End:** Bible scholars often link this upcoming treaty to the conditions described in 1 Thessalonians 5:3: *"For when they shall say, Peace and safety; then sudden destruction cometh upon them..."*. Got Questions +3

Many interpreters believe this treaty has not yet been signed but that ongoing geopolitical attempts at Middle East peace serve as a precursor to this future event. Calvary Christian Fellowship of Tucson +1

It looks as if Israel violated the Abraham Accord Agreement by annexing the west bank. It is Netanyahu (yahoo) keeps violating this agreement by steeling more land.

Keep in mind that Iran is not part of the Abraham Accords. They refused to sign on. They are a very evil nation that hates other nations and America. They are not democratic they rule by Sharia Law which is a blood thirsty violent law. Just like in Old Testament lore, their evil god wants to rule the world. (That is also OLD NEWS).

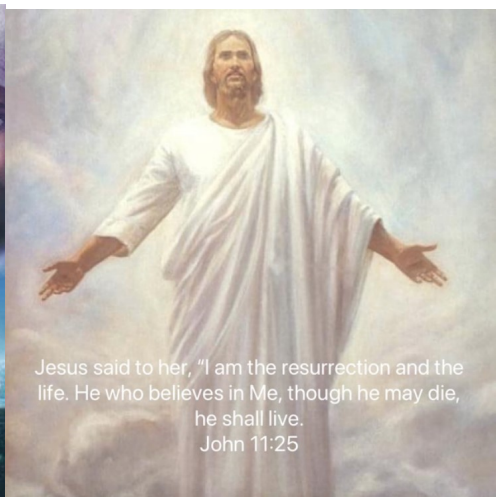
The Gog and Magog war according to (Ezekiel 38–39) seems to be associated with the Abraham Accords because it is a time when Israel is living in a state of relative security and peace brought about by these Abraham Accord alliances.

Then the Gog Magog war breaks out followed by the Battle of Armageddon where the Muslim nations will turn on and attack Israel.



"Finally, my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. ***For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.*** Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand." – Ephesians 6:10-13. (Bold emphasis added).

Once you understand that Jesus was/is an other dimensional being and that aliens are as well it opens the door for us to dig deeper. When we do we learn that Jesus and the Apostle Paul warned us about these evil global rulers calling then the evil "Powers and Principalities of the world."

Once you know that and realize that these evil Fallen Elohim Watchers cloned most of the hybrid bloodlines in the Middle and Far East it isn't hard to put 2 and 2 together to realize that these tribes were HARD WIRED and CHIP IMPLANTED by their alien gods which is how they control them.

Then when you follow the migrations of these evil Canaanite. Edomite, Turkish, Ashkenazi Zionist, etc., leaders into Europe along with the Sephardic Jews and Merovingian Blue Blood royalty it is very easy to see who rules Europe and the JROCCC today and why a massive judgment seems to be playing itself out today..

It is very easy to see that good and evil other dimensional forces are at work today and that we are in for a rough road ahead.

You must be born again
Jesus answered, "I tell you the truth, no one can enter the kingdom of God unless he is born of water and the Spirit. 6. Flesh gives birth to flesh, but the Spirit gives birth to spirit. You should not be surprised at my saying, `You must be born again. '

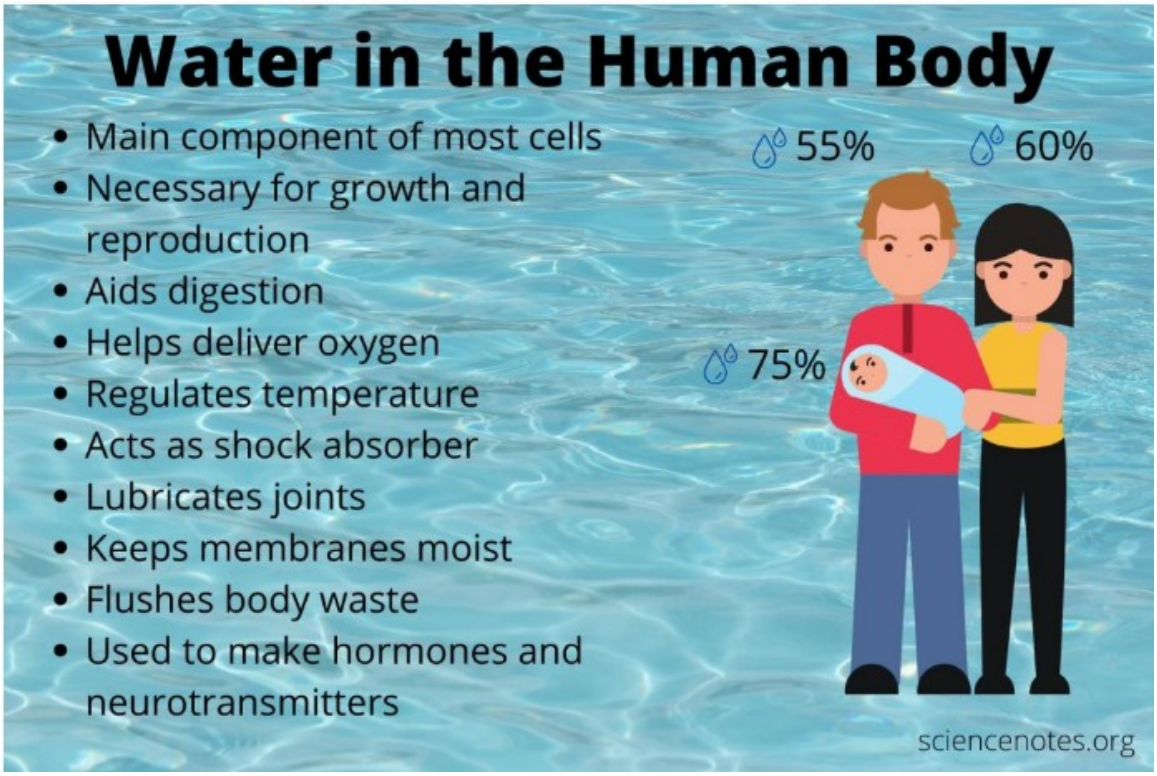
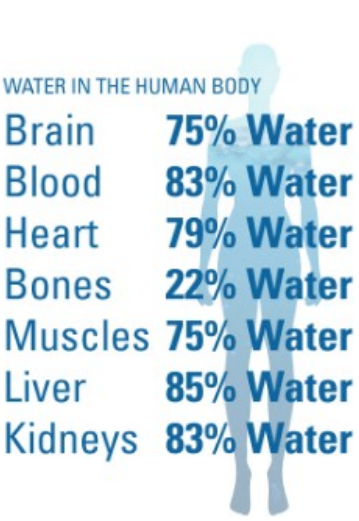
The verse has nothing to do with a religious commitment to Jesus as the Jewish and Roman Orthodox Catholic and Christian Churches (JROCCC) falsely claim.





I happen to believe that Jesus is the BIG KAHOONA and that he always was an other dimensional being who seems to have warned HIS ORIGINAL WHITE GENTILE BLOODLINE tribes that they will reincarnate on earth during a timeframe that is ending on earth soon. One of the names for the End of the various Earth Ages is the Church Age which is 2000 years long. It started when Jesus left the earth.

It is a timeframe where these evil alien gods and their BOOTS ON THE GROUND will be running the show but that they are going down at the END of this timeframe and that at the same time JESUS WILL SOON ENTER THE PICTURE TO CLEAN HOUSE. Our bodies are created with blood and water. What it interesting is that we not only had past lives but that we have been BORN AGAIN into the FINAL CHURCH AGE TIMEFRAME TRIAL PERIOD.
